

GOLFING UNION
OF IRELAND

A SINGLE GOVERNING BODY FOR GOLF IN IRELAND

During the past decade the ILGU and GUI have worked together on a host of joint initiatives which have provided a platform to build an unprecedented solid working relationship and a strong mutual appreciation between the bodies. We feel that a unique opportunity now exists, to create an all-inclusive governing body for golf that will bring many benefits and will serve its affiliate clubs and the game of golf long into the future.
