

# One Governing Body

## Working Group Championships

### Composition of the Group

- Mix of experience and someone of a new and forward thinking nature
- Volunteer with a history of tournament involvement, two professional staff with expertise, rules officials who attend high level championships
- Club member who has experience of attending high level tournaments/championships
- Equal gender balance essential, to help identify differences between both championship structures
- Ideally 6 people in the group to strike equal representation.

### Scope/Understanding

- Ensure all areas of championship management are covered
- Understand the split between district and branch tournaments and at National level.
- Envisage the new OGB championship structure to be run across two levels – branch/district level and national level
- Members should understand and incorporate scheduling calendar and criteria for venues.

### Tasks

- Investigate and propose a championship geographical structure from club to region to national reflecting number of clubs per region, membership per region and growth potential
- Review existing championship and tournaments with a view to streamlining. Removing events that are no longer fit for purpose and introducing new events that reflect modern play
- Outline best practice from both organisations
- Conduct quantitative research with a group of Championship stakeholders
- Draft and propose a fixtures calendar taking into account existing ILGU and GUI future fixtures
- Propose an approach administration function with responsibility for championships and events.

Players	Rules Officials	Union volunteers	Host Clubs	General managers	Selectors	Team Captains

## Communication/Output

- Set up frequency of meetings with DG member to report on progress
- Members to outline all tasks and split based on geographical location and knowledge in certain areas
- Group members to conduct quantitative research with championship stakeholders and draft findings
- Draft final report of all group work and output to DG
- Prepare final report for DG.
