

# One Governing Body

## Working Group

### High Performance & Coaching

#### Composition of the Group

- Executive Director /National Coach from GUI and ILGU
- Volunteers with an expertise in High Performance either golf or other sport.
- Past International Player / Interprovincial player with progressive ideas.
- Expert from Sports Institute/Sport Ireland.
- Input from district/branch officials with strong regional/provincial training structure in place
- Organisational representation key as HP/coaching can be male dominated.

#### Scope/Understanding

- Understand current coaching structures, identifying inconsistencies and areas for improvement / streamlining.
- Research other organisations and how they approach mixed gender HP Programmes.
- Document and propose an approach to High Performance in the new GB.
- Ensure a world class HP programme which will continue to produce elite players and provide the opportunity to teams and players to perform at the highest levels of the sport.

#### Tasks

- Define the elements of a world class HP system and ensure all are included in the HP Programme of the new body.
- Examine the existing programmes and propose the best approach in a joint body – should elements be combined or remain separately?
- Identify and consult with stakeholder groups and ensure their view are reflected in any proposed new programme/structure.

HP & Coaching Stakeholders							
HP Coaches	Regional Coaches	Training admin	Players	Selectors	Parents	Team Captains	HP Committee

- Complete report on best practice findings from GUI and ILGU HP structures/programmes.

# One Governing Body

## Communication/Output

- Set up frequency of meetings with DG member to report on progress
- Members to outline all tasks and split based on stakeholder mapping
- Group members to conduct qualitative research with HP stakeholders and draft findings
- Draft final report of all group work and output to DG
- Prepare final report for DG.
